10. Persons convicted in the criminal courts, by selected types of crime, 2005-2006

		2005	2006	Rate 2005	Rate 2006
10.1	Total convicted for committing intentional homicide				
10.2	Human Trafficking: Persons convicted				
10.3	Smuggling of Migrants: Persons convicted	34,241	38,025	54.35	59.93
10.4	Participation in Organized Criminal Groups: Persons convicted				

Comments:

Indicator	Value
Table 10: Source(s) of the data provided	the same as indicated in 9.t1
Comments for Table 10	In table 10, only data on persons convicted for commission of smuggling of migrants are available. However, data on persons convicted for commission of "intentional homicide" and "human trafficking" are not available because those data are case-based. Intentional homicide cases were disposed 8,285 cases in 2005 and 8,807 cases in 2006 respectively. Human trafficking cases were also disposed 782 cases in 2005 and 437 cases in 2006. Further, data on participation in organized criminal groups are not available cause organized crime is not a specific offence in Thailand.

Rates at the national level are given per 100,000 population based on World Population Prospects: The 2006 Revision. Rates at the largest city level are given per 100,000 population based on largest city population given in survey response, otherwise rates are not presented.
