SUB – PROGRAMME 2
CRIMINAL JUSTICE

1. Anti-corruption capacity is strengthened in line with the United Nations Convention against Corruption (UNCAC)
   1.1 National law is harmonized with Afghanistan’s obligations under UNCAC and other international instruments.
   1.2 A broad-based National Anti-corruption strategy and an effective inter-institutional coordination framework are developed.
   1.3 Capacity of Government institutions engaged in fight against corruption to detect, investigate and prosecute corruption cases is strengthened.
   1.4 Capacity of CSOs and media to advocate for anti-corruption policy promotion and enforcement is strengthened.

2. The Economic Crimes Task Force is established to investigate and prosecute major economic crimes, contributing to a reduction of the illicit economy
   2.1 The Economic Crimes Task Force is established.
   2.2 Legal and regulatory frameworks essential for the fight against economic crimes, including legal procedures for freezing, seizure, confiscation and restoration of proceeds of crime, are established in line with international standards.
   2.3 Criminal justice institutions’ capacity to investigate and prosecute economic crimes is enhanced.

3. Prison and juvenile justice systems reformed in line with international standards and norms, with an emphasis on prison management and alternatives to imprisonment
   3.1 Pilots on alternatives to imprisonment are established for nation-wide expansion.
   3.2 Pilots on systematic approaches to the prevention of recidivism through prison-based educational and vocational training programmes are established for nation-wide expansion.
   3.3 An inter-agency mechanism to provide special care for female prisoners and their children is established.
   3.4 Pilots on treatment of child offenders at the juvenile rehabilitation centres (JRCs) in line with international standards are established for nation-wide expansion.
