**STEPS OF A UNODC IN-DEPTH EVALUATION**

1. **INITIATE**
   - The Project Manager (PM) consults with the Independent Evaluation Section (IES) 10-12 months before the intended end of the evaluation or programme. The Independent Evaluation Section initiates the evaluation in Unite Evaluations.
   - The Project Manager:
     - Ensures availability of the evaluation budget as reserved at the planning stage.
     - Informs the Head of Office/Division.
     - Identifies stakeholders and Core Learning Partners (CLPs).
   - **NOTE:** evaluations with insufficient budget and/or unrealistic timeframe will not be approved.

2. **PREPARE**
   - **2-3 weeks**
     - The Project Manager:
       - Drafts the Terms of Reference (ToR) in close consultation with IES, using IES’s latest template.
       - Submits the initial Draft ToR to IES in Unite Evaluations.
     - The Independent Evaluation Section reviews and comments on the Draft ToR.
     - The Project Manager:
       - Revises the Draft ToR in line with comments provided by IES and submits to IES in Unite Evaluations.
       - Collects desk review materials.
     - The Independent Evaluation Section proposes candidates for lead evaluator and substantive experts.
     - The Project Manager:
       - Reaches out to the cleared lead evaluator and experts on their availability and interest.
       - Informs stakeholders and CLPs of the evaluation and their roles in the process.
     - The Independent Evaluation Section:
       - Clears the Draft ToR and shares with the CLPs for review and comments (2 weeks).
       - Provides the CLPs’ comments to the PM in Unite Evaluations.
     - The Project Manager:
       - Revises the ToR in line with the CLPs’ comments.
       - Submits the revised Final ToR to IES in Unite Evaluations.
   - The Independent Evaluation Section clears the final ToR.

3. **RECRUIT**
   - **5-6 weeks**
     - The Project Manager:
       - Submits the pre-assessed Evaluation Team to IES in Unite Evaluations for official clearance.
       - Initiates the recruitment process with Human Resources.
       - Submits the team’s contracts to IES in Unite Evaluations for clearance.
     - **NOTE:** 1 IES staff member forms part of the evaluation team.

4. **DESK REVIEW**
   - **3-4 weeks**
     - The Project Manager provides desk review material to the Evaluation Team and IES.
     - The Evaluation Team and the Independent Evaluation Section conduct an extensive desk review.
     - The Evaluation Team:
       - Prepares an analysis of the preliminary hypotheses of the desk review material.
       - Develops data collection instruments and a robust methodological approach.
       - Prepares the Draft Inception Report in line with UNODC guidelines and templates.
       - Submits the Draft Inception Report to IES in Unite Evaluations.
     - The Independent Evaluation Section reviews the Draft Inception Report.
     - The Project Manager, IES and the Evaluation Team agree on the field mission.
     - The Project Manager arranges tickets — including for IES staff — and interview schedules in close consultation with the Evaluation Team and IES ahead of the field mission.
     - The Evaluation Team:
       - Revises and finalises the Inception Report and reviews the field mission and interview schedules.
       - Submits the Final Inception Report to IES in Unite Evaluations.
   - The Independent Evaluation Section clears the Final Inception Report at least 1 week before the field mission.
   - **NOTE:** not cleared Inception Report by IES may lead to discontinued evaluation and cancellation of the mission.
