Professional Development Workshop

## **Setting targets, reaching goals**

**Setting national targets and collecting data  
on universal access to HIV prevention,  
treatment and care for people  
who inject drugs**

▶ Workshop

Reed Messe Vienna, Mini Room 4  
Monday, 19 July 2010  
2:30–6 p.m.

This workshop is for delegates aiming to learn how to enhance monitoring and evaluation of interventions for people who inject drugs. Participants will receive guidance on planning, implementing, monitoring and evaluating a comprehensive response to HIV and AIDS among people who inject drugs. Participants should depart with a programme plan, complete with monitoring component.

Come and join us in this workshop to share and learn!
