### Global Judicial Integrity Network Draft Workplan 2018-2019

This workplan outlines the key activities to be pursued under the framework of the Global Judicial Integrity Network in cooperation with relevant partners. The workplan was developed based on the conclusions and recommendations emanating from the launch of the Global Judicial Integrity Network which took place on 9-10 April at the United Nations in Vienna, as well as the various regional preparatory meetings that were organized in 2016 and 2017. As such, the work plan aims to articulate the methodology and approach for achievement of the Network's goals, deliver on its core objectives and support awareness raising among judges worldwide on the resources and services available through the Network.
