Situation, Problems and Threats ATS in Indonesia

Oleh:
Drs. Mufti Djusnir, Apt., M.Si
Chief Data & Information BNN
Problems of drug abuse and illicit traffic in Indonesia from year to year has also increased use of ATS.

Increased use of ATS in Indonesia over the use of opium/putaw, reflecting a new trend of the world.

Fact indicated in Indonesia there are some ecstasy and shabu laboratories that successfully demolished in recent years, which illustrates the Indonesia state has been the supplier or manufacturer of ATS.
