CHALLENGES

1. Hidden phenomenon.
2. Victims not being identified and supported.
3. Conviction rates too low.
4. Insufficient awareness among law enforcement.
5. Not enough info/knowledge.
9 Policy Recommendations
1. Increase affordable, accessible, safe and legal migration channels.
2. Improve the monitoring of labour standards – especially in the workplace.
3. Combine improved border controls with better investigation and prosecution of trafficking and smuggling networks.
4. Improve victim identification systems.
5. Invest in victim-centred approaches to law enforcement.
7. Improve regional criminal justice coordination.
8. Expand countermeasures to include legislation and operations against child sex tourism.
9. Do better research – and do more of it.
