Dear xx,

I have the honour to draw your attention to resolution 2/5 of the Conference of the States Parties to the United Nations Convention against Corruption entitled "Consideration of the issue of bribery of officials of public international organizations", adopted at the second session of the Conference, held in Nusa Dua from 28 January to 1 February 2008.

In its resolution 2/5, the Conference of the States Parties recommended that an open-ended workshop of practitioners and experts, including representatives of the Office of Internal Oversight Services and the Office of Legal Affairs of the Secretariat, the oversight offices of other international organizations, members of the judiciary and law enforcement officers who have had to deal with corruption cases involving officials of public international organizations, should be held, subject to the availability of extrabudgetary resources, before the end of 2008. The main purpose of the workshop is to exchange best practices and to address the technical issues highlighted in the note by the Secretariat on the implementation of Conference resolution 1/7 (CAC/COSP/2008/7), in particular cooperation between public international organizations and States parties, exchange of information on ongoing investigations, and jurisdiction.
