

FORUM OF PARLIAMENTARIANS

NOVEMBER 10, 2009

Third Conference of the States Parties to the UN Convention against Corruption (UNCAC)

Third Forum of Parliamentarians in Doha, Qatar *Working with Others*

November 10, 2009, Al Maha Room

As of November 2, 2009

Overview

The theme of this Forum suggests that parliamentarians need to work with others to be truly effective in supporting the UNCAC and its effective implementation and review. The aim of this event therefore to:

- link parliamentarians with international organizations that can provide resources and expert advice; and
- further define what practical actions parliamentarians can take and how they can work with others and capture these key ideas in a Declaration that reflects the parliamentary perspective and to contribute to the overall Conference of States Parties.
