Note by the Secretariat

I. Introduction

1. The present note contains budgetary information on expenditures incurred so far for the first to fifth years of operation of the Mechanism for the Review of Implementation of the United Nations Convention against Corruption and revised estimates for the second, third, fourth and fifth years of operation of the Mechanism, as well as resources received, both from the regular budget and from voluntary contributions. An interim statement of expenditures (regular budget and extrabudgetary) for the first five years of functioning of the Mechanism is contained in the annex to the present report.

**II. Regular budget resources and expenditures for the Review
Mechanism**

2. Tables 1, 2 and 3 present regular budget resources and expenditures for the bienniums 2010-2011, 2012-2013 and 2014-2015, respectively.

^a For the biennium 2010-2011, posts were budgeted as new posts, taking into account delays in recruitment. The overexpenditure was reported in the context of the second performance report.

^b Interpretation was provided for a total of 34 meetings. Thus, the final expenditure was less than the estimate.

^c Translation was provided for a total of 268 pages of documentation for the sessions of the Implementation Review Group. By making full and efficient use of the approved regular budget, it became possible to accommodate the increased requirements of the Group in the reporting period through reallocation of the United Nations Office on Drugs and Crime (UNODC) share of existing translation resources. At the same time, owing to delays in the country reviews and in the finalization of the country reports and related executive summaries, several such reports were presented to the Group as conference room papers, for which no translation was provided.
