13. The closing plenary meeting in the afternoon of 21 April 2016 will feature the Co-chairs’ summaries of the salient points of the interactive multi-stakeholder round tables and concluding remarks by the President of the General Assembly.

Documentation, statements and interpretation

14. At the special session of the General Assembly, hard copies of documents will be available at the documents distribution counters located inside the General Assembly Hall. For the roundtables taking place in Conference Room 4, hard copies of documents will be available at the documents booth in the Conference Room.

15. Delegations are requested to provide 30 copies of their statements, to be submitted by a delegation representative to the receiving area at the documentation desk located at the rear of the General Assembly Hall between 8 a.m. and 9 a.m. for distribution to the various conference services. The delegation representative should be in possession of a valid United Nations grounds pass. Access will be at the 46th Street gate, through the screening area, utilizing the West side elevators in the lobby of the General Assembly Building to the second floor, where a representative of the Secretariat will accept the texts at a designated counter. The texts of the speeches will be accepted only on the day they are to be given.

16. Additionally, delegations are invited to submit PDF formatted versions of their statements via e-mail to papersmart@un.org. Delegations wishing to circulate their statements electronically through the PaperSmart portal should provide them not later than two hours in advance of delivery to papersmart@un.org. Alternatively, delegations can bring a hard copy (unstapled and printed single-sided), for scanning and uploading, to the PaperSmart portal at the documents distribution counter located inside the General Assembly Hall or at the conference officers’ desk in conference room 4. The name of the meeting and the agenda item should be indicated in the subject line of the e-mail and in the heading of the statement. The statements
will remain embargoed until their delivery and then posted. Only statements presented during the course of the meeting will be posted.

17. Statements made in any of the six official languages of the General Assembly are interpreted into the other official languages. Any speaker may also make a statement in a language other than the official languages. In such cases, in accordance with rule 53 of the rules of procedure of the Assembly, the delegation in question must provide either an interpreter from the non-official language into an official language, or a written text of the statement in one of the official languages to be read out by a United Nations interpreter. On the basis of this interpretation or the written text which is accepted by the Secretariat as representing the official text of the statement, it will be interpreted into the other official languages by United Nations interpreters. When a written text is provided, the delegation concerned should make available to the interpreter someone who knows the language in which the statement is to be delivered and the official language into which it has been translated, to guide the interpreter through the translated text and to ensure synchronization between the speaker and the interpreter. Detailed arrangements for interpretation from non-official languages, including access by non-United Nations interpreters to the interpreter booths in the General Assembly Hall, must be made in advance through the Meetings Management Section (telephone: 212 963 8114; e-mail: e-meetsm@un.org). The interpreter or the guide provided by the delegation should be brought by the delegation to the conference officers’ desk in front of the General Assembly Hall 30 minutes prior to the delivery of the statement.
