

PREFACE

The *Bulletin on Narcotics* is a United Nations journal that has been in continuous publication since 1949. It is printed in all six official languages of the United Nations—Arabic, Chinese, English, French, Russian and Spanish.

The *Bulletin* provides information on developments in drug control at the local, national, regional and international levels that would benefit the international community.

The present double issue of the *Bulletin* (vol. LIV, Nos. 1 and 2) is devoted to the science of drug abuse epidemiology. The next issue (vol. LV, Nos. 1 and 2) will deal with the practice of drug abuse epidemiology. The United Nations Office on Drugs and Crime wishes to thank Zili Sloboda, who acted as guest editor for these two volumes of the *Bulletin*. Particular thanks also go to Paul Griffiths and Rebecca McKetin, who planned these two volumes while they were working in the United Nations Office on Drugs and Crime (UNODC).

Editorial policy and guidelines for publication

Individuals and organizations are invited by the Editor to contribute articles to the *Bulletin* dealing with policies, approaches, measures and developments (theoretical and/or practical) relating to various aspects of the drug control effort. Of particular interest are the results of research, studies and practical experience that would provide useful information for policy makers, practitioners and experts, as well as the public at large.

All manuscripts submitted for publication in the *Bulletin* should constitute original and scholarly work that has not been published elsewhere or is not being submitted simultaneously for publication elsewhere. The work should be of relatively high professional calibre in order to meet the requirements of a United Nations technical publication. Contributors are kindly asked to exercise discretion in the content of manuscripts so as to exclude any critical judgement of a particular national or regional situation.

The preferred mode of transmission of manuscripts is the Word format. Each manuscript submitted should consist of an original hard copy and a 3.5" diskette, in Word for the text and Excel or Lotus for charts and tables, in any of the six official languages of the United Nations—Arabic, Chinese, English, French, Russian and Spanish. The manuscript should be accompanied by an abstract of approximately 200 words and by a complete set of references numbered in the order of their appearance in the text. The manuscript should be between 10 and 20 double-spaced typewritten pages, including tables, figures and references. Tables should be self-explanatory and should supplement, not duplicate, information provided in the text.

Manuscripts, together with brief curricula vitae of their authors, should be addressed to the Editor, *Bulletin on Narcotics*, United Nations Office on Drugs and Crime, Vienna International Centre, P.O. Box 500, A-1400 Vienna, Austria. A transmittal letter should designate one author as correspondent and include his or her complete address, telephone number, fax number and, if available, electronic mail (e-mail) address. Unpublished manuscripts will be returned to the authors; however, the United Nations cannot be held responsible for loss.

Views expressed in signed articles published in the *Bulletin* are those of the authors and do not necessarily reflect those of the United Nations Secretariat. The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of the Secretariat concerning the legal status of any country, territory, city or area, or its authorities, or concerning the delimitation of any frontiers or boundaries.

Material published in the *Bulletin* is the property of the United Nations and enjoys copyright protection in accordance with the provisions of Protocol 2 annexed to the Universal Copyright Convention concerning the application of that Convention to the works of certain international organizations.
