

## CONTENTS

---

1.	Preface	5
2.	Acknowledgements	9
3.	Peer-led intervention design to reduce risk taking behaviour amongst young drug users	11
4.	Day One	
	Session 1. Pre-training exercise	25
	Session 2. Meeting Strangers	25
	Session 3. Introduction to Behaviour Change Communication - Stages of Change	26
	Session 4. Objectives of the training programme - expectations	29
	Session 5. Understanding and mapping a community - Profiling a community	30
	Session 6. Resource and vulnerability mapping	33
	Session 7. Mapping network of substance users	34
	Session 8. Observation and listening skills	35
	Session 9. Winding up and feedback	36
5.	Day Two	
	Session 1. Recap and preliminaries	39
	Session 2. Explanation of the peer-led intervention- phase one	40
	Session 3. Preparing an observation checklist	42
	Session 4. Preparing an interview checklist	43
	Session 5. Effective questioning	43
	Session 6. Barriers to effective communication	45
	Session 7. Rehearsals by trainers (of peer intervention) on assertiveness skills	46
	Session 8. What is outreach? Types of outreach	49
	Session 9. Practice session on outreach	51
	Session 10. Winding up and feedback	52
6.	Day Three	
	Session 1. Recap and preliminaries	53
	Session 2. Basics of infection	53
	Session 3. Basics of HIV/AIDS	56
	Session 4. HIV and associated risks: Who are at risk for HIV/AIDS?	59
	Session 5. The use of condoms and condom demonstration	61
	Session 6. Practice of using a condom and demonstrating its use	64
	Session 7. Associated risks- Injecting drug use, alcohol and sex	65

Session 8. Knowledge, attitude and skills required by peer outreach worker	70
Session 9. Practice outreach and mapping through a transect walk	70
Session 10. Winding up and feedback	71
7. Day Four	
Session 1. Recap and preliminaries	73
Session 2. Designing half day training sessions for phase two of the intervention	73
Session 3. Decision making process	76
Session 4. Respecting different view points – coming to a consensus	78
Session 5. Stress management	79
Session 6. Identifying and managing emotions	81
Session 7. Identification of a leader and leadership skills	84
Session 8. Explaining the concept of “hunger”	85
Session 9. Winding up and feedback	86
8. Day Five	
Session 1. Recap and preliminaries	87
Session 2. Concept of volunteerism	87
Session 3. Accessing help	88
Session 4. Overview of phase three of the peer-led intervention	90
Session 5. Monitoring mechanisms for peer-led intervention	94
Session 6. Problem solving	95
Session 7. Empathy	96
Session 8. Winding up and feedback	97
Session 9. Post training exercise	98
<b>Appendices:</b>	
9. Pre-training assessment sheet	99
10. Post training assessment sheet	101
11. TOT evaluation sheet	103
12. Notes for the facilitator- steps in tracking impact of learning	105
13. Risk reduction intervention	107
14. Programme schedule of TOT Programme	115
15. Handouts for participants	119
16. References	125
