SL. NO.	SUBJECT	PAGES
1	Introduction	vii
2	General Guidelines	1
3	Topics for Training Courses	7
Topic No.1	Precursor control- a strategy to reduce production and supply of drugs	8
Topic No.2	Role of International Narcotics Control Board	13
Topic No.3	Competent National Authorities	14
Topic No.4	Mutual legal assistance and sharing of information between governments	15
Topic No.5	EU Legislation on precursor chemicals: EU Guidelines for the Chemical Trade	18
Topic No.6	Introduction to precursor chemicals listed in Tables I and II- their licit and illicit uses: Identification through field test kits	21
Topic No.7	Significance of Limited International Special Surveillance List	21
Topic No.8	Methods of diversion of precursor chemicals for the illicit production of narcotic drugs and psychotropic substances	27
Topic No.9	Operation Purple	29
Topic No.10	Operation Topaz	31
Topic No.11	Project Prism	33
Topic No.12	Intelligence gathering against diversion of precursor chemicals	34
Topic No.13	Investigation of precursor diversion cases	38
Topic No.14	Controlled Delivery	42
Topic No.15	Detection and Detection and dismantling of laboratories producing illicit drugs: Investigations to identify sources of supply of precursor chemicals to such laboratories	45
Topic No.16	Procedure for drawing samples of precursor chemicals for laboratory testing	51
Topic No.17	Storage, handling and disposal of seized/confiscated precursor chemicals- General Principles	53
Topic No.18	Maintenance of a reliable database on volume of trade in precursor chemicals: National database system developed by the UNODC - An introduction	57
Topic No.19	Role of various national law enforcement agencies in precursor control	63
Topic No.20	Cooperation between competent authorities and chemical industry in precursor control: Codes of conduct worked out by the industry - their effectiveness	68
Topic No.21	International, Regional and Bilateral cooperation in Precursor Control	71
4.	Sample Agendas	76
5.	Warm Up Exercise	87
6.	Group Exercises/Assignments	88
7.	Question Bank	92
8.	Programme Feedback/Evaluation	101
