Vienna, 15 November 2022

Dear Member States,

I would like to renew my gratitude and deep appreciation to all of you for your active participation, constructive contribution and strong support during the informal consultations on the methodology for the conduct of the fourth and fifth sessions of the Ad Hoc Committee to Elaborate a Comprehensive Convention on Countering the Use of Information and Communications Technologies for Criminal Purposes, to be held respectively in January and April 2023.

The final version of the methodology, which is annexed to the present letter, was prepared and discussed in a transparent and inclusive manner, and will allow delegations to prepare their participation and thus conduct the substantive discussions at the fourth and fifth sessions in an efficient way.

I would like to thank you all once more for your cooperation, and I trust I can count on your continued support at this new and critical stage of our process.

Please accept the assurance of my highest consideration.

Faouzia MEBARKI

Chair of the Ad Hoc Committee
