

Day 2- (Afternoon) - Agenda 5

Chapter I

General Provisions

Article 1. Statement of purpose

Rashtriya Raksha University (RRU) emphasizes and reiterates on providing practical measures to enhance technical assistance among States Parties, build the capacity of national authorities to prevent and combat [the use of ICTs] [cybercrime], in particular for the benefit of developing countries, and strengthen and promote the exchange of information, specialized knowledge, experiences, training, good practice, and research.

RRU is a firm believer of the postulate that we should initiate towards an inclusive, transparent, stable, accessible, free, and secure cyberspace that is fair in all terms. There has to be enhancement in the capacity and capability of concerned entities and each state party.

Article 2. Use of terms

We emphasize on the terms of usage depicted by India in para 13 of its submission at the Second Session of the Ad Hoc Committee.
