

Comment on “Implementation of Operative Paragraph 3 of General Assembly Resolution 74/247 and Next Steps” with status of 20 April 2020

Iran (Islamic Republic of)

Regarding the email was circulated by the Secretariat to all permanent missions on 24 April 2020 on “Implementation of Operative paragraph 3 of GA Res 74/247 and next steps” - Follow-up to the online briefing held on 16 April 2020 with regard to the cybercrime ad hoc committee organizational session, the Permanent Mission of the IR Iran would like to inform the Secretariat that IR of Iran strongly believes that negotiations and decision-making process on the management of the logistical and other organizational aspects of August 2020 organizational session of the aforementioned ad hoc committee must be conducted in an intergovernmental, open, transparent and all-inclusive manner, the outcome of which should be taken based on consensus. To that end we are of the view that the Secretariat should approach and consult with all interested Member states through open-ended informal/formal consultations or through consultations facilitated by the chairs of Regional Groups.
