Vienna, 29 November 2021

Dear Member States,

First of all, I would like to express my gratitude for your active participation and your valuable contributions to the informal consultations that we are holding ahead of the first formal session of the Ad Hoc Committee to Elaborate a Comprehensive International Convention on Countering the Use of Information and Communications Technologies for Criminal Purposes, scheduled from 17 to 28 January 2022 in New York.

This open-ended format of consultations, aimed at insuring inclusiveness and transparency, has enabled us to make significant progress on many pending issues.

In this regard, and following the informal consultations on the draft agenda, held on 11th October 2021, I have the honor to put forward my final proposal on the provisional agenda of the first session, which I will submit to the Ad Hoc Committee for its adoption, on 17th January 2022.

As I reiterate my deep appreciation for your support and your commitment to the success of this process, I am convinced that the positive momentum built recently will surely allow the Ad Hoc Committee to achieve its task of delivering to the international community a broad, comprehensive, practical and functional universal convention.

Please accept the assurances of my highest consideration.

Faouzia MEBARKI

Chair of the Ad Hoc Committee
