

# WEBINAR FOR CIVIL SOCIETY ON THE UNODC STATISTICAL FRAMEWORK TO MEASURE CORRUPTION

24 OCTOBER 2024  
CET 15:00-16:00

**We invite you to engage in a discussion to learn  
more about:**

What is this framework and why it is useful?

How was this framework developed?

How will countries use this framework and how will UNODC support them in this effort?

How civil society can get engaged in the development and implementation of the Statistical framework to measure corruption?
