FIGURE VII
Overview of Sub-Programme 1

SUB - PROGRAMME 1
LAW ENFORCEMENT

OUTCOMES

Outcome 1: Developing the strategic, operational and tactical capacities of the Counter Narcotics Police of Afghanistan (CNPA) to address drug trafficking at the national and international level

1.1: Mobile Detection Teams (MDT) supported, trained and effective in key provinces

1.2: CNPA Forensic Laboratory equipped, trained and mentored to develop intelligence on illicit drug manufacturing and trafficking

1.3: The Precursor Control Unit (PCU) to coordinate and participate in investigations and operations with relevant law enforcement agencies, national and international governing agencies and regulatory bodies, including interagency operations, to interdict precursor chemicals utilized in the production of heroin and synthetic drugs

Outcome 2: Enhanced border law enforcement capacity to combat drug trafficking and transnational organized crime through supporting the implementation of the United Nations Convention against Transnational Organized Crime (UNTOC) and its protocols on TIP/SoM and the United Nations Convention against Corruption (UNCAC)

2.1: Border Liaison Offices (BLOs) established and operational at selected high risk border crossing points

2.2: Operational response and capacity to prevent drug and other trafficking activities via international airports in Afghanistan through enhanced interdiction capabilities

2.3: Trafficking in Persons (TIP) and Smuggling of Migrants (SoM) investigative capacity developed in key provinces

3.1: Support to a Financial Intelligence Unit (FIU) placed within the DAB in accordance with the recommendations of the Financial Action Task Force (FATF) in coordination with other international stakeholders and the needs of the Government

3.2: Anti-Corruption (AC) investigative capacity enhanced through the establishment of Mobile Anti-Corruption Teams (MACTs) to combat corruption within the Mol in key provinces
