-
- CARICC is one of UNODC's flagship projects forming one of the central outcomes within the current UNODC ROCA Programme 2015-2020 and will form an integral plank of the next UNODC ROCA Programme 2021-2025
 - Given CARICC's importance and value for international operations coordination and interaction with partners CARICC currently has MoUs with a range of international organizations and cooperation agreement pending for signature with GCC-CICCD
