GENERAL ANNOUNCEMENTS

1. A list of Secretariat staff and their offices, including telephone extensions during the twenty-second session of the Commission on Crime Prevention and Criminal Justice, is annexed to this Journal.

Texts of written statements

2. Delegates are requested to provide their statements in advance to the Secretariat to the Governing Bodies, preferably by e-mail to: sgb@unodc.org, or alternatively, 10 hard copies of their statement to Room M0122. A minimum of 200 copies should be provided to the Secretariat if delegations wish to have their statements distributed to States and organizations attending the session of the Commissions.

Draft resolutions

3. In accordance with its decision 21/1, the deadline for submission of draft resolutions by Members of the Commission had been set for Tuesday, 2 April 2013, at noon. The edited and translated texts of the draft resolutions are posted on the web page and printed copies are available at the documents distribution counter close to Board Room B. Any revisions to officially distributed draft resolutions must be incorporated into the final edited texts. For this purpose, sponsors are requested to obtain the final electronic word documents from the Secretariat (office M0122). Revisions must be clearly marked, preferably by using the track change mode. States wishing to co-sponsor draft resolutions may sign the respective signing sheets, which are available at offices of the Secretariat (office M0122) until Friday, 26 April at 2 p.m., thereafter delegations wishing to co-sponsor are requested to do so during the adoption of the draft resolutions in the plenary meeting (Board Room B).

Documents distribution counter

4. At the documents distribution counter located on the first floor in the M-Building, each delegation will be assigned an individual “pigeonhole” where documents issued during the meeting will be placed.

5. As part of the Secretariat’s efforts to reduce expenditure and limit environmental impact through the digitization of conference materials and publications, only a limited number of pre-session documents will be available in hard copy at the session venue. Each delegation will receive a single, complete set of the documents in the language of its choice. Delegates are therefore kindly requested to bring their own copies of the pre-session documents to the meeting.

6. A Journal will set out the daily programme and other information related to the conduct of the session and will be available in English and French at the distribution counter.

Languages of the twenty-second session of the Commission on Crime Prevention and Criminal Justice

7. The official languages of the meeting are the six official languages of the United Nations: Arabic, Chinese, English, French, Russian and Spanish. The official documentation prepared for the meeting will be made available in all six official languages.

8. Each seat in the conference rooms of the Vienna International Centre, for which simultaneous interpretation is available, will be equipped with a portable receiving set and headphone. Participants are requested not to remove that equipment from the meeting rooms so that it may be checked periodically and the batteries may be recharged, if necessary.

Use of mobile phones and laptops

9. Conference participants are kindly requested to keep their cellular telephones switched off inside conference rooms, as they cause radio frequency interference with the sound system, thus adversely affecting the sound quality of interpretation and the recording of proceedings.

10. The use of laptops in conference rooms can cause similar problems. Conference participants are requested not to use laptops next to open microphones.
Commissary privileges

11. Commissary passes will be issued upon completion of registration formalities to the following participants:

   (i) Heads of Government delegations;
