

Promoting effective crime prevention

CCPCJ Thematic Discussion | Vienna 10 November 2021

1. The importance of impact studies for evidence-based crime prevention

- Knowing what works in crime prevention
- Cost-benefit analysis
- Guidance on ensuring sustainability and scaling-up

Promoting effective crime prevention

CCPCJ Thematic Discussion | Vienna 10 November 2021

2. Invest in and empower young people for prevention

- Promote developmental/early crime prevention
- Reach out to marginalized youth using innovative vehicles

Promoting effective crime prevention

CCPCJ Thematic Discussion | Vienna 10 November 2021

3. Engage communities in crime prevention

- Listen to communities' needs and empower them to act
- Community-oriented and problem-oriented policing
- Role of communities in the treatment of offenders
