"The legal profession must uphold morality and integrity, so that it may advise upon and adjudicate cases of bullying and sexual harassment."
Kieran Pender
International Bar Association

WOMEN IN JUSTICE
"Including women in the judiciary is not simply about ensuring that 'her' perception is relevant to resolving cases about women. It is about integrating the gender perspective and giving equal visibility to women."
Justice Ayesha Malik
Pakistan

"By their mere presence, women judges enhance the legitimacy of the courts, sending a powerful signal that they are open and accessible to those who seek recourse to justice."
Judge Vanessa Ruiz
International Association of Women Judges
