

Mr. Moussa Diomandé holds a Master's degree in Social Science (Informatics) from the University of Orebro, Sweden. He has 20 years of experience in the field of corrections including 14 years with the United Nations. From 2002 he worked for the Swedish Prison and Probation Service (SPPS), at various levels from front line officer, rising through positions at Headquarters and regional offices. In 2008, he started his international career as seconded corrections expert in former UN peacekeeping operation MONUC in the Democratic Republic of the Congo (DRC). From 2011 until 2014, he worked in the DRC (MONUSCO) as Regional Coordinator for corrections offices in the Oriental, Maniema, North and South Kivu provinces. In 2014 Moussa started working in Haiti, where he served in MINUSTAH and MINUJUSTH until both missions closed in October 2017 and 2019 respectively and transitioned to BINUH. In that capacity he, *inter alia*, supported the development and implementation of the Mission's corrections programme. Since September 2021, Moussa has been serving as Corrections Officer in DPO Justice and Corrections Standing Capacity (JCSC), based at the United Nations Global Service Centre in Brindisi/Italy. During his time in the JCSC, Moussa has been, *inter alia*, deployed to Haiti (BINUH) to oversee the Mission's corrections portfolio; the Central African Republic (MINUSCA) to support the implementation of the Central African prison demilitarization strategy; Abyei (UNISFA) to establish priority areas for assistance to inform the Mission's corrections support strategy; and Libya (UNSMIL) to provide critical strategic surge capacity and support to the Mission in assisting the Libyan prison authorities.
