# ICCWC

TOGETHER AGAINST  
WILDLIFE CRIME

The strength of ICCWC lies in its ability to tackle wildlife crime using a multi-pronged approach. Judicial support from one partner helps the law enforcement operations of another, while another partner helps enhance the political will for action and change.

SDGs that ICCWC contributes to directly (top) and indirectly (bottom)

- Towards effective and efficient law enforcement and criminal justice system responses to combat wildlife crime
- Interconnection of wildlife crime to broader environmental and socioeconomic goals (direct & indirect contribution to 10/17 SDGs)
