

## **Ralf Ernst**

### **Deputy Coordinator and Head of Economic Activities**

#### **Office of the Coordinator of OSCE Economic and Environmental Activities (OCEEA)**

For more than 25 years, he has been working in areas such as sustainable economic development, development cooperation, anti-corruption and good governance. Before joining the OSCE in 2016, he had worked for UN agencies and other national and international organizations in Africa, Asia, Australia and Europe. In his last position before joining the OCEEA, he was Chief Technical Advisor and Project Manager with UNDP for climate change adaptation and regional development in Timor-Leste.

Ralf Ernst holds a Master of Economic Geography degree from Ludwig-Maximilian-University in Munich/Germany, as well as post-graduate qualifications in environmental management and journalism.
