17. *Requests* the Secretariat, in an effort to address the financial challenges of the United Nations Office on Drugs and Crime, especially in the light of decreasing general-purpose contributions, to ensure that the programme support charge is no less than the current recommended standard charge of 13 per cent, giving due consideration to the Financial and Administrative Framework Agreement between the European Community, represented by the Commission of the European Communities, and the United Nations;

(c) Member States are encouraged to present and discuss draft resolutions well in advance of the part of the sessions of the Commission on Crime Prevention and Criminal Justice held in the first half of the year, so that the Commission will be able to make informed decisions; such preliminary discussions shall not in any way be construed as precluding or substituting for the mandate of the Commission;

(d) Each working document formally submitted to the Commission should include a summary, as well as a clear identification of any action required;

(e) Any recommendations of the working group should be made available to all Member States well in advance of the part of the sessions of the Commission held in the first half of the year, and should be considered by the Commission;
