United Nations Office on Drugs and Crime

# Implementation of CND Resolution 60/1

**UNODC**

United Nations Office on Drugs and Crime

**Outline**

- **Background**
- **Where we stand**
- **What lays ahead**

## RESOLUTION 60/1 OF THE CND

(Para. 7) The CND “invites the United Nations Office on Drugs and Crime, in close cooperation with Member States, to

- reflect on possibilities to **strengthen and streamline** its existing data-collection and analysis tools, including improving the quality and effectiveness of the **annual report questionnaire**,
- and to **report to the Commission** on possible ways to enhance these, for consideration by the Commission **at its sixty-second session**,
- and invites Member States to **provide extra-budgetary resources** for these purposes”.

(Para. 6) The CND “requests the United Nations Office on Drugs and Crime (...) to continue to support Member States (...) in strengthening their capacity to develop their reporting mechanisms, including (...) by exploring possibilities to strengthen existing data collection and analysis tools at the national level”

## TIMELINE OF ACTIVITIES

**Nov 2017 – Jan 2018**

Inputs received through consultations with Member States, international/regional organizations and civil society

**Jan 2018**

EGM held in Vienna → National and international experts  
→ Technical level/discussion

Goals: - Review the level of capacity of MS to collect and report data  
- Discuss quality and relevance of data currently collected

**Mar 2018**

CRP presented at the 2017 CND

## MAIN CONCLUSIONS OF THE EGM

### Capacity Building

- Improved coordination and monitoring at the national level  
→ National Drug Observatories
- Methodological guidelines
- Peer networks at the international / regional level

### Improving the ARQ

- Modular approach: core vs non-core (rotating) modules
- Collect more information on emerging topics, such as NPS, gender
- Utilizing a Focal Point structure at the country level
- Improve metadata collection and definitions
- Availability of guidelines for completing the ARQ
- Inter-agency cooperation → avoid duplication of efforts

## **NEXT STEPS**

### **To implement EGM recommendations**

*(Recent availability of funding from the EU)*

- 1. Consultations with international organizations to further improve coordination on data collection**
- 2. Conduct a pilot study on improved questionnaire**
  - Call for volunteer countries for test phase
- 3. EGM in July 2019**
  - Discuss content of programme for Capacity Building and the development of updated data collection tools based on results from the pilot study
- 4. Present final results no later than the 63<sup>rd</sup> CND**
