Commission on Narcotic Drugs
Fifty-third session
Vienna, 8-12 March 2010
Item 5 of the provisional agenda*

Improving the collection, reporting and analysis of data to monitor the implementation of the Political Declaration and Plan of Action on International Cooperation towards an Integrated and Balanced Strategy to Counter the World Drug Problem

Revised set of data collection mechanisms for the collection, collation, analysis and reporting of data, prepared by the expert group on data collection

Note by the Secretariat

Addendum

Revised draft annual report questionnaire: part II. Comprehensive approach to drug demand reduction**

* E/CN.7/2010/1.
** The present document was submitted after the date required by the 10-week rule as the meeting of the expert group on data collection was held from 12 to 15 January 2010.
Annex

Revised draft annual report questionnaire

Part II. Comprehensive approach to drug demand reduction

1. Does your country have a written national drug strategy adopted by the Government that includes a demand reduction component?

☐ Yes
☐ No

If the answer is yes:

(a) Indicate the year in which the strategy was established or in which it was last reviewed: ________;

(b) Are the areas listed below covered in the strategy?

<table>
<thead>
<tr>
<th>Area</th>
<th>Yes</th>
<th>No</th>
</tr>
</thead>
<tbody>
<tr>
<td>Primary prevention</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Early intervention</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Drug treatment services</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Rehabilitation</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Reintegration</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Services to prevent the health and social consequences of drug use</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Drug use monitoring</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Research</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

(c) Are the sectors listed below involved in the implementation of the national demand reduction strategy? Rank them in order of importance (with 1 being the most important);

<table>
<thead>
<tr>
<th>Sector</th>
<th>Yes</th>
<th>No</th>
<th>Rank</th>
</tr>
</thead>
<tbody>
<tr>
<td>Public health sector</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Public social sector</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Public educational sector</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Non-governmental organizations</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Private health sector</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Private social sector</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Private educational sector</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Public employers</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Private employers</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Representatives of employees</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Other (please specify)</td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Place the rank in the respective table:

Rank
(d) Does your country have a central coordinating entity for implementing the drug demand reduction component of the national drug strategy;

☐ Yes
☐ No

(e) If the answer to subparagraph (d) is yes, indicate whether the sectors listed below are represented in the coordinating body (yes or no);

- Health ☐ Yes ☐ No
- Social affairs ☐ Yes ☐ No
- Education ☐ Yes ☐ No
- Law enforcement ☐ Yes ☐ No
- Justice ☐ Yes ☐ No
- Private sector ☐ Yes ☐ No
- Non-governmental organizations ☐ Yes ☐ No
- Labour and employment ☐ Yes ☐ No
- Other (please specify) ☐ Yes ☐ No

2. How would you describe changes in the size of the budget for treatment programmes in the past year compared with the previous year?

☐ Large increase
☐ Some increase
☐ Stable
☐ Some decrease
☐ Large decrease

3. How would you describe changes in the size of the budget for prevention programmes in the past year compared with the previous year?

☐ Large increase
☐ Some increase
☐ Stable
☐ Some decrease
☐ Large decrease
**Prevention and early intervention**

4. Please indicate in the table below which prevention activities were implemented in the past year and the age of the target group.

<table>
<thead>
<tr>
<th>Activity</th>
<th>Target group</th>
</tr>
</thead>
<tbody>
<tr>
<td>Dissemination of information about the danger of illicit drugs</td>
<td>Children in primary school (6-10)</td>
</tr>
<tr>
<td>Education about drugs based on life skills</td>
<td></td>
</tr>
<tr>
<td>Parenting skills training (please identify the target group on the basis of the age of the children whose parents are trained)</td>
<td></td>
</tr>
<tr>
<td>Workplace prevention programmes</td>
<td></td>
</tr>
<tr>
<td>Alternative activities (sports, drama, music etc.)</td>
<td></td>
</tr>
<tr>
<td>Vocational training and income-generating support</td>
<td></td>
</tr>
<tr>
<td>Media campaigns</td>
<td></td>
</tr>
<tr>
<td>Screening</td>
<td></td>
</tr>
<tr>
<td>Counselling and brief interventions (e.g. motivational interviewing)</td>
<td></td>
</tr>
</tbody>
</table>
5. Please assess the coverage of the prevention activities listed below that were implemented in your country in the past year and which groups were targeted.

<table>
<thead>
<tr>
<th>Activity</th>
<th>Cities covered</th>
<th>Groups targeted</th>
</tr>
</thead>
<tbody>
<tr>
<td>Dissemination of information about the danger of illicit drugs</td>

V.10-50556
11. Are treatment services included in the public health insurance system?

☐ Yes, for the whole population
☐ Yes, for some groups
☐ No

12. Are treatment services included in the private health insurance system?

☐ Yes, for the whole population
☐ Yes, for some groups
☐ No

13. Do centres providing treatment services report the following information?

Number of persons utilizing the services ☐ Yes ☐ No
Length of the waiting list and waiting time ☐ Yes ☐ No
Drop-out and retention rates ☐ Yes ☐ No
Feedback from clients ☐ Yes ☐ No
Drug use abstinence ☐ Yes ☐ No
Rates of relapse ☐ Yes ☐ No
Health status ☐ Yes ☐ No
Psychological status ☐ Yes ☐ No
Involvement in criminal activities ☐ Yes ☐ No
Behaviour that puts people at a high risk of transmitting HIV ☐ Yes ☐ No
Social integration ☐ Yes ☐ No
Other (please specify) ☐ Yes ☐ No

Advocacy

14. Did your country carry out drug dependence treatment education and advocacy activities for the following professional categories during the past year:

(a) Policymakers;

☐ Yes
☐ No
(b) Service planners;
☐ Yes
☐ No

(c) General service providers;
☐ Yes
☐ No

(d) Specialized service providers.
☐ Yes
☐ No

15. Please rank, in order of importance, at least three main constraints that your country faced last year in providing treatment (where 1 indicates the most important and 7 the least important).

<table>

**Drug supply reduction**

**Domestic level**

17. Do the following strategies describe the current measures used by your country to reduce drug supply?

- A specific written strategy to reduce drug supply approved by the Government
  - ☐ Yes  ☐ No

- An integrated written strategy to reduce the supply of and demand for drugs, approved by the Government and with a specific component to reduce drug supply
  - ☐ Yes  ☐ No

- A written strategy against organized crime approved by the Government and with a specific component to reduce drug supply
  - ☐ Yes  ☐ No

- A written strategy that actively takes various measures to reduce drug supply even though it has no specific component for addressing drug supply
  - ☐ Yes  ☐ No

- Other (please specify)
  - ☐ Yes  ☐ No

18. Has your country taken drug supply reduction measures in the following areas during the reporting year?

- Illicit crop monitoring
  - ☐ Yes  ☐ No

- Programmes for monitoring the manufacture of amphetamine-type stimulants
  - ☐ Yes  ☐ No

- Illicit crop eradication programmes
  - ☐ Yes  ☐ No

- Formalized inter-agency cooperation
  - ☐ Yes  ☐ No

- Control/monitoring of precursor chemicals
  - ☐ Yes  ☐ No

- Interdiction of traffickers
  - ☐ Yes  ☐ No

- Interdiction of dealers
  - ☐ Yes  ☐ No

- Forensic intelligence
  - ☐ Yes  ☐ No

- Drug courts
  - ☐ Yes  ☐ No

- Extradition
  - ☐ Yes  ☐ No
19. Are the following types of law enforcement agencies mandated to reduce drug supply? (Wherever possible, please specify the names of the agencies.)

<table>
<thead>
<tr>
<th>Name of agency</th>
<th>Yes</th>
<th>No</th>
</tr>
</thead>
<tbody>
<tr>
<td>National police</td>
<td></td>
<td></td>
</tr>
<tr>

</tr>
<tr>
<td>Other (please specify)</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

20. Is there an entity that coordinates the activities of agencies mandated to reduce drug supply?

- [ ] Yes
- [ ] No

If the answer is yes, please provide the name of the entity:

______________________________________________.
21. Have the following measures/institutions been adopted by your country to address the threat posed by corruption within domestic law enforcement agencies with a mandate to reduce the supply of drugs?

- Internal oversight body
- External oversight body, including an anti-corruption body (art. 6 and 36 of the United Nations Convention against Corruption)
- Code of conduct (art. 8 of the Convention against Corruption)
- Obligation for staff of the above agencies to declare any assets (art. 8, para. 5 of the Convention against Corruption)
- Professional ethics training for staff of the above agencies (art. 7, para. 1 (b) of the Convention against Corruption)
- Obligation for staff of the above agencies to report suspected incidents of corruption (art. 7, para. 4 of the Convention against Corruption)
- Other (please specify)

22. During the past year, have law enforcement agencies in your country used special investigative techniques to gather evidence?

- Yes
- No

If the answer is yes, were the following techniques used?

- Electronic surveillance
- Use of informants
- Undercover techniques
- Controlled delivery
- Other (please specify)
23. Does your country have a system in place to monitor the sale of pharmaceuticals over the Internet?

☐ Yes  ☐ No

If the answer is yes, please describe the kinds of sales being monitored (e.g. sales by operators based in your own country, all transactions in which a product is being sold to buyers in your country):
____________________________________________________________________
____________________________________________________________________
____________________________________________________________________

24. Did your country adopt the following measures during the past year to support cross-border cooperation between law enforcement agencies in different countries? (If the answer is yes, please provide the names of the countries involved.)

<table>
<thead>
<tr>
<th>Measure</th>
<th>Yes</th>
<th>No</th>
<th>Country 1</th>
<th>Country 2</th>
<th>Country 3</th>
</tr>

____________________________________________________________________

30. Has your country provided technical assistance in the area of drug supply reduction during the past year?

☐ Yes  ☐ No

If the answer is yes:

(a) Did your country provide the following forms of assistance?

Training  ☐ Yes  ☐ No

Equipment  ☐ Yes  ☐ No

Software  ☐ Yes  ☐ No

Financial  ☐ Yes  ☐ No

Other (please specify)

☐ Yes  ☐ No

☐ Yes  ☐ No
(b) Were the following entities beneficiaries of assistance provided by your country?

Other countries (If the answer is yes, please provide the names of the countries:________________________.)

- □ Yes  □ No

United Nations

- □ Yes  □ No

Other international organizations (If the answer is yes, please provide the names of the organizations:________________________________.)

- □ Yes  □ No

Other (please specify)

- □ Yes  □ No

- □ Yes  □ No

Military

31. What is the role of the military in drug supply reduction activities?

- □ It has no role
- □ Intelligence
- □ Command and control of activities
- □ Detection of trafficking activities
- □ Monitoring movement
- □ Apprehension
- □ Incarceration

Forensics

32. Do authorities in your country have access to laboratory services for analysing narcotic drugs and psychotropic substances seized by law enforcement agencies?

- □ Yes, they have access to laboratory facilities in the country
- □ Yes, they have access to laboratory facilities in other countries for some samples
- □ Yes, they have access to laboratory facilities in other countries for all samples
- □ No

33. Are the following services provided?

Identification of seized drugs

- □ Yes  □ No

Quantification of seized drugs (determination of purity)

- □ Yes  □ No
| Characterization/chemical profiling of seized drugs to determine their origin or for linking samples (“forensic drugs intelligence”) | □ Yes □ No |
| Analysis of precursors | □ Yes □ No |
| Investigation of clandestine laboratories | □ Yes □ No |
| Other (please specify) | □ Yes □ No |

34. In your country, how is forensic analysis of drug seizures carried out?

☐ Systematically (for all seizures satisfying a certain criterion)
☐ On an ad hoc basis

**Money-laundering**

**Criminalization**

35. Has money-laundering been criminalized in the country?

☐ Yes
☐ No

If the answer is yes, where possible please attach a copy of each legal instrument criminalizing money-laundering in one of the official languages of the United Nations or a Government certified translation into English, French or Spanish, the working languages of the Commission.

36. Has the financing of terrorism been criminalized in the country?

☐ Yes
☐ No

If the answer is yes, where possible please attach a copy of each legal instrument criminalizing the financing of terrorism in one of the official languages of the United Nations or a Government certified translation into English, French or Spanish, the working languages of the Commission.

37. Does your country have measures to manage seized assets?

☐ Yes
☐ No
38. Does the law provide for the conclusion of asset sharing agreements?

☐ Yes
☐ No

If the answer is yes, where possible please attach a copy of each legal instrument, administrative instruction or other instrument in one of the official languages of the United Nations or a Government certified translation into English, French or Spanish, the working languages of the Commission.

39. Were new legal instruments adopted last year criminalizing the laundering of money derived from drug trafficking, the diversion of precursor chemicals and other serious crimes of a transnational nature?

☐ Yes
☐ No

If the answer is yes, where possible please attach a copy of each legal instrument criminalizing such money-laundering in one of the official languages of the United Nations or a Government certified translation into English, French or Spanish, the working languages of the Commission.

40. Were measures against money-laundering implemented last year in the context of emerging crimes such as those related to the misuse of new technologies, cyberspace and electronic money transfer systems?

☐ Yes
☐ No

If the answer is yes, where possible please attach the relevant provisions.

41. Were new legal measures on the identification, freezing, seizure and confiscation of the proceeds of crime adopted?

☐ Yes
☐ No

If the answer is yes, where possible please attach a copy of each legal instrument on the identification, freezing, seizure and confiscation of the proceeds of crime in one of the official languages of the United Nations or a Government certified translation into English, French or Spanish, the working languages of the Commission.

Financial and regulatory regimes for banks and non-bank financial institutions

42. Have measures been adopted by banks and other financial institutions in your country on the following:
(a) Customer identification and verification requirements, namely the application of the "know-your-customer" principle;

☐ Yes
☐ No

(b) Identification of beneficial ownership information for legal persons;

☐ Yes
☐ No

(c) Requirement of financial record keeping;

☐ Yes
☐ No

(d) Mandatory reporting of suspicious transactions;

☐ Yes
☐ No

(e) Mechanisms to detect and monitor the cross-border transport of cash and other negotiable bearer instruments into your country;

☐ Yes
☐ No

(f) Mechanisms to detect and monitor the cross-border transport of cash and other negotiable bearer instruments out of your country;

☐ Yes
☐ No

(g) Mechanisms to detect the flow of drug money (in cash or other negotiable bearer instruments) into the financial system (including banks);

☐ Yes
☐ No

(h) Enhanced due diligence measures when dealing with domestic and international politically exposed persons.

☐ Yes
☐ No
Domestic and international cooperation

43. During the past year, did your country implement measures regarding the following:

(a) Tracing of assets;
   - Yes
   - No

(b) Seizing of assets;
   - Yes
   - No

(c) Freezing of assets;
   - Yes
   - No

(d) Confiscation of assets.
   - Yes
   - No

44. Is money-laundering an extraditable offence in your country?
   - Yes
   - No

45. Were new legal instruments adopted during the past year providing for the conclusion of asset sharing agreements?
   - Yes
   - No

If the answer is yes, where possible please attach a copy of each legal instrument in one of the official languages of the United Nations or a Government certified translation into English, French or Spanish, the working languages of the Commission.

Control of precursor chemicals

46. Has your country compiled a list of national companies authorized to manufacture, distribute and trade in precursors?
   - Yes
   - No
47. Has your country undertaken any new measures in collaboration with relevant industries on the supply of and trafficking in precursor and other chemicals not yet under international control?

☐ Yes
☐ No

If the answer is yes, please summarize the new measures. If codes of conduct have been developed, please attach a copy of those documents.

____________________________________________________________________
____________________________________________________________________
____________________________________________________________________

48. Has your country taken any steps to address the use of substances not under international control and substitute chemicals for the manufacture of precursors used in the manufacture of heroin and cocaine?

☐ Yes
☐ No

If the answer is yes, please summarize the steps taken.

____________________________________________________________________
____________________________________________________________________
____________________________________________________________________

49. Does your country’s framework for the control of precursor chemicals include a system of prior import and export notification?

☐ Yes
☐ No

50. Does your country utilize Pre-Export Notification Online (PEN Online), the system hosted by the International Narcotics Control Board?

☐ Yes
☐ No

If the answer is no, please provide reasons.

____________________________________________________________________
____________________________________________________________________
____________________________________________________________________
51. Does the existing international cooperation on control of precursor chemicals adequately meet requirements in this regard?

☐ Yes
☐ No

If the answer is no, please provide details.

____________________________________________________________________
____________________________________________________________________
____________________________________________________________________

52. Does your country have systems in place to allow for the post-seizure investigation of precursor chemicals?

☐ Yes
☐ No

If the answer is yes:

   (a) Do those systems make it possible to track the origin of the seized precursor chemicals?

      ☐ Yes
      ☐ No

   (b) Do those systems make it possible to carry out controlled deliveries of precursor chemicals?

      ☐ Yes
      ☐ No

**Alternative development as a strategy to control the cultivation of illicit crops**

53. Does your country have a national alternative development strategy to address the illicit cultivation of coca bush, opium poppy or cannabis plant?

☐ Yes, as a stand-alone plan
☐ Yes, as part of the national economic development plan
☐ No

54. Does your country have a strategy or plan to assist other Member States with alternative development?

☐ Yes
☐ No
55. If your country has an alternative development strategy, which illicit drops does it target?

☐ Coca bush
☐ Opium poppy
☐ Cannabis plant

56. If your country has an alternative development strategy, please indicate the year in which it was established or in which it was last reviewed: ____________.

57. Has your country implemented preventive alternative development programmes during the past year?¹

☐ Yes
☐ No

If the answer is yes, please provide details:

____________________________________________________________________
____________________________________________________________________
____________________________________________________________________

58. Does your country have a central coordinating entity for implementing the national alternative development strategy?

☐ Yes
☐ No

59. Are the Government entities listed below represented in the coordinating body?

Ministry of agriculture, fisheries etc. ☐ Yes ☐ No
Ministry of social affairs, welfare etc. ☐ Yes ☐ No
Ministry of education ☐ Yes ☐ No
Ministry of the interior or similar Government ministry ☐ Yes ☐ No
Ministry of justice ☐ Yes ☐ No
Ministry of economics, finance etc. ☐ Yes ☐ No
Ministry of transport, roads etc. ☐ Yes ☐ No
Ministry of labour, employment etc. ☐ Yes ☐ No
Office of the president or prime minister ☐ Yes ☐ No

¹ In accordance with Economic and Social Council resolutions 2006/33 and 2008/26, as well as the Action Plan on International Cooperation on the Eradication of Illicit Drug Crops and on Alternative Development (General Assembly resolution S-20/4 E).
60. What was the percentage of the national budget allocated last year to the implementation of the alternative development strategy at the national/federal level and the state/provincial level?

As a percentage of national development expenditures
________________________________________

Total state/provincial budget (in national currency)
________________________________________

As a percentage of state/provincial development expenditures
________________________________________

61. How much of last year’s budget was allocated to supporting international alternative development programmes?

62. How would you describe the change in budgetary allocation for alternative development programmes during the past year compared to the previous year?

☐ Large increase
☐ Some increase
☐ Stable
☐ Some decrease
☐ Large decrease
☐ No budget allocated

63. Please provide the following information:
(a) Number of households that live in areas under coca bush, opium poppy or cannabis plant cultivation: ____________________;
(b) Number of households for which the cultivation of coca bush, opium poppy or cannabis plant is a major source of income: ____________________;
(c) Number of households benefiting from alternative development programmes: ____________________;
(d) Number of households benefiting from alternative development programmes that are involved in agricultural activities:

_____________________.

(e) Number of households benefiting from alternative development programmes that are involved in non-agricultural activities:

_____________________.

64. List the licit crops that the Government promoted during the past year through alternative development programmes and indicate whether the harvests are to be sold (on the domestic or foreign market) or used to address food security issues (check the appropriate column).

<table>

65. What is the current situation in your country with regard to access to market for products from alternative development programmes?

____________________________________________________________________
____________________________________________________________________
____________________________________________________________________

66. What role, if any, does the private sector play in promoting and finding market access for products from alternative development programmes?

____________________________________________________________________
____________________________________________________________________
____________________________________________________________________

67. If your country has alternative development programmes, are measures taken to appropriately include the relevant stakeholders in the identification, preparation, implementation, monitoring and evaluation of alternative development programmes?

☐ Yes
☐ No

If the answer is yes, please provide details:

____________________________________________________________________
____________________________________________________________________
____________________________________________________________________
68. To what extent have alternative development programmes, in particular those implemented under international cooperation frameworks, been effective in reducing the illicit cultivation of crops during the past year in your country?

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

69. When planning and implementing alternative development activities, are specific gender-related actions or measures included?

☐ Yes
☐ No

If the answer is yes, please provide details:

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

70. Were environmental conservation components included in the alternative development programmes implemented during the past year?

☐ Yes
☐ No

If the answer is yes, please provide details:

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

71. Did the alternative development interventions carried out during the past year include measures to do the following: Was prevention of (a) illegal logging and (b) the promotion of wildlife conservation included in the last year alternative development interventions?

(a) Prevent illegal logging;

☐ Yes
☐ No

(b) Promote wildlife conservation.

☐ Yes
☐ No
If the answer to either part of the question is yes, please provide details:

____________________________________________________________________
____________________________________________________________________
____________________________________________________________________

72. Does your Government assess the impact of alternative development programmes using human development indicators and/or indicators that take into consideration the Millennium Development Goals?

☐ Yes, assessments of alternative development programmes use both kinds of indicators
☐ Yes, assessments of alternative development programmes use human development indicators
☐ Yes, assessments of alternative development programmes use indicators that take into consideration the Millennium Development Goals
☐ No, assessments of alternative development programmes do not use either kind of indicator
☐ No, assessments of alternative development programmes only use illicit crop estimates

73. Did the alternative development interventions implemented during the past year raise awareness at the community level about wildlife conservation, in particular about the following:

(a) Illegal logging:

☐ Yes
☐ No

(b) Illegal trade in and poaching of wildlife.

☐ Yes
☐ No
