

United Nations Commission on Narcotic Drugs 64th session

Community First: A Holistic Approach to Mental health and Substance Abuse Amid COVID-19

April 12 2021

2:10-3:00 PM ECT | 3:10-4:00 IST | 8:10-9:00 AM EST

Join us to discuss the importance of community based practices to address the intersection between mental health and substance use amid COVID-19. This side event will bring together experts to present data, policies and showcase pro-active practices which aim to promote people, youth and marginalized communities.

-Virtual Participation -
