NON-SCHEDULED AND DESIGNER PRECURSOR CHEMICALS GLOBAL CHALLENGES AND GLOBAL SOLUTIONS

Tuesday 13 April 2021

13:10 – 14:00 (CEST)

Registration [here](#) (recommended)

Join on MS Teams [here](#)

The increasing use of non-scheduled drug precursors, including designer-precursors, is challenging the global drug precursor control regime. This event will present case studies, latest developments, measures which Member States and other actors are taking to address this challenge, as well as potential international responses to these challenges.

The side event is organized by the European Union and co-sponsored by the USA and the International Narcotics Control Board (INCB).

Moderator: Barbara Remberg | INCB

Speakers

Cornelis de Joncheere | International Narcotics Control Board

Anne Kemppainen | Delegation of the European Union to the International Organisations in Vienna

Jeremy Douglas | United Nations Office on Drugs and Crime

Luc De Meyer | European Commission

John Farmer | Drug Enforcement Administration, USA

Tingfang Wu | Office of the National Narcotics Control Commission, China

Martijn Mulder | Ministry of Justice and Security, The Netherlands

Devesh Malladi | Indian Drug Manufacturers Association
