Inequities Laid Bare:

Responding to Challenges of COVID-19 and Beyond

APRIL 14, 2021 | 14:10-15:00 CET / 8:10 a.m. – 9 a.m. EDT, webinar
OPEN TO THE PUBLIC: <https://bit.ly/2PnVwab>

How has the COVID-19 pandemic worsened existing inequities and negatively affected priority populations?

How can we lessen these effects in the future?

Join our panelists to discuss research and experiences with a Canadian focus.
