

64TH SESSION OF THE COMMISSION ON NARCOTIC DRUGS

SIDE EVENT

The impact of COVID-19 on drug markets: one year later

This side event will present updated research findings on the impact of COVID-19, one year after the pandemic started. Examples from countries across the globe will illustrate how the pandemic affected drug trafficking, use, treatment and service delivery for PWUD and how the impact varied geographically.

Wednesday 14 April, 13.10 – 14.00pm
