1- ESTABLISHMENT AND CENTRAL ORGANIZATION
Process of establishment of counter narcotics division in all our provinces has been completed.
2- GENERAL OVERVIEW FOR THE FIGHT AGAINST WITH DRUGS
Drug use and drug addiction are one of the important problem areas both in Turkey and as well as in the world.

The reelying development in the fields of communication and transportation causes many negative effects on almost all segments of the society, especially the young and leads more and more people to addictive substances.
GENERAL OVERVIEW FOR FIGHT AGAINST DRUGS

Sources: UNODC, responses to annual report questionnaire and individual drug seizure database.
3- FIGHT AGAINST SUPPLY
From 2019 until today, 13 different countries and 16 Separate Judicial Police Cooperation or Controlled Delivery Practices;
