**CND Dec.6(I). Re-establishment at its pre-war level of international control of
narcotic drugs**

The Commission decided to recommend that Governments despatch their annual reports for the preceding calendar year so that they could reach the Secretary-General on or before 30 June of each year. As far as the sections of annual reports dealing with illicit traffic are concerned, the Commission recommended that they should be dispatched so as to reach the Secretary-General on or before 31 March of the year following the one to which the report refers.
