CND Dec.9(I). Re-establishment at its pre-war level of international control of narcotic drugs

The following steps were also taken by the Commission with a view to the re-establishment of the international control of narcotic drugs:

- (a) With regard to laws and regulations, the Secretariat was requested to prepare a list, annual summary, and digest as outlined in annex I, [2/](#) pages 26, 27 and 28;
- (b) With regard to diacetylmorphine, the Secretariat was instructed to draw the attention of all countries importing and exporting diacetylmorphine to the terms of article 10 of the 1931 Convention;
- (c) With regard to import certificates and export authorizations, the Commission agreed to request Governments to correct or supplement the information at present available to the Secretariat with regard to the application of the system, including a list of national authorities in charge of the issuance of import certificates and export authorizations;
- (d) With regard to the establishment of special national administration the Secretariat was instructed to obtain from Governments particulars regarding the organization and functioning within their territories of the special national administrations referred to in article 15 of the 1931 Convention;
- (e) With regard to the manufacture of drugs the Secretariat was instructed to circulate to Governments the list of factories [3/](#) asking them for any possible corrections.
