**CND Res.7(I). The future control of narcotic drugs in Japan and Korea**

The future control of narcotic drugs in Japan and Korea

The following resolution was approved by the Commission:

That an ad hoc committee<sup>\*/</sup> of seven members be appointed:

- (a) To study the proposals of the delegation of China regarding the control of narcotic drugs in Japan;
- (b) To study the possibility of similar control in respect of Korea;
- (c) To recommend what steps, if any, should be taken to have the terms of such control incorporated (i) in the peace treaties which will be concluded between Japan and the Powers concerned; and (ii) in the agreements which will be reached in connexion with the establishment of a government in Korea;
- (d) To consider the potentialities of the establishment of other regional systems of control which might be united within a single global system.

November/December 1946

<sup>\*/</sup> Two alternative proposals were submitted by the ad hoc committee and it was decided by the Commission that both of them should be forwarded to the Economic and Social Council. See report of the first session of the Commission, pp. 58-59.
