CND Res.2(XXII). The Commission on Narcotic Drugs

The Commission on Narcotic Drugs,

Noting that rule 3 of the rules of procedure of the functional commissions of the Economic and Social Council indicates that Commissions may express their wishes regarding the place at which subsequent sessions will be held,

Recalling that certain members of the Commission have considered that the transfer of the Division of Narcotic Drugs to Geneva would not preclude the holding of occasional sessions of the Commission away from its headquarters,

Recommends to the Economic and Social Council that the twelfth session of the Commission be held in New York, and in so doing expresses the hope that the Council will take the necessary steps to this end.
