CND Res.7(S-III). Reduction of summary records

The Commission on Narcotic Drugs,

Recalling resolution 1379(XLV) of the Economic and Social Council of 2 August 1968 requesting its subsidiary organs to consider dispensing with summary records,

Recognizes the need to reduce the expense of documentation;

Decides that summary records for its future sessions should be kept to a minimum; and

Further decides that the Commission will determine at the beginning of each session which agenda items are to be covered by summary records.
