CND Dec.6(S-IV). Membership of meetings of operational heads of national narcotics law enforcement agencies, Far East region^{*/}

At its 807th meeting, on 27 February 1976, the majority of members of the Commission decided that in accordance with recommendation No. 1 of the second meeting of operational heads of national narcotics law enforcement agencies, Far East region (E/CN.7/583, para. 56), the membership for the forthcoming meetings would be enlarged by adding to the present membership those of the countries mentioned in the recommendation (namely Bangladesh, Bhutan, Brunei, Fiji, Papua New Guinea and the Republic of Korea) which, after being contacted by the secretariat, indicated that they had good reasons to participate and wished to do so.

No countries outside the region should be invited to participate as observers in the meeting.

All participating countries should be asked to defray the cost of their participation, and, in cases where this would make it impossible for them to participate, the United Nations Fund for Drug Abuse Control would undertake to defray this cost.
