**CND Dec.8(S-IV). Technical assistance to Governments in drug abuse assessment<sup>\*/</sup>**

At its 807th meeting on 27 February 1976, the Commission decided that, in order to assist Governments with a view to formulating a meaningful policy in their countries and to improving their reporting on drug abuse to the United Nations, the United Nations Fund for Drug Abuse Control should provide technical assistance in drug abuse assessment to those Governments requesting it.
