Dec.3(XXVII). 1971^{*/}**

At its 834th meeting on 24 February 1977, the Commission on Narcotic Drugs decided that the Division of Narcotic Drugs, in collaboration with other units of the Secretariat concerned, should issue, as soon as possible, as a United Nations publication - similar to that issued under Sales No. E.77.XI.3 for the Single Convention on Narcotic Drugs, 1961, as amended by the 1972 Protocol amending that Convention - the text of the "Convention on Psychotropic Substances of 1971", as established in the certified true copies issued by the Office of Legal Affairs; the Commission furthermore decided that the publication should be issued in a sufficiently large number of copies, in English, French, Russian and Spanish, and should include the text of the final act and resolutions of the United Nations Conference for the Adoption of a Protocol on Psychotropic Substances, held at Vienna in 1971, and the Schedules annexed to the 1971 Convention.
