
Economic and Social Council

Distr.
GENERAL

923rd Meeting
8 February 1983

CND Dec.4(XXX). The health, social and economic consequences of drug abuse

At its 923rd meeting, on 8 February 1983, the Commission on Narcotic Drugs decided to ask the Division of Narcotic Drugs to follow up on the Commission's decision 2(S-VII), of 8 February 1982, as well as on work already done by the Division in response to that decision (a) by summarizing the material made available to the Division by the Governments of Member States in respect of the health, social and economic consequences of drug abuse and (b) by publishing that summary in the Bulletin on Narcotics.
