

CND Dec. 6 S-VIII).

Inclusion of bromazepam in Schedule IV annexed to the  
1971 Convention on Psychotropic Substances

CND

At its 941st meeting, on 7 February 1984, the Commission on Narcotic Drugs, in accordance with article 2, paragraph 5, of the 1971 Convention on Psychotropic Substances, decided that 7-bromo-1,3-dihydro-5-(2-pyridyl)-2H-1,4-benzodiazepin-2-one, the international non-proprietary name of which is bromazepam, should be included in Schedule IV of the 1971 Convention on Psychotropic Substances.
