

15 (S-IX). INCLUSION OF MEFENOREX IN SCHEDULE IV OF THE
1971 CONVENTION ON PSYCHOTROPIC SUBSTANCES

7752 J

At its 969th meeting, on 11 February 1986, the Commission on Narcotic Drugs, in accordance with article 2, paragraph 5, of the 1971 Convention on Psychotropic Substances, decided that dl-N-(3-chloropropyl) alpha-methylphenethylamine (also referred to as mefenorex) should be included in Schedule IV of that Convention.
