

2 (XXXII). Inclusion of allobarbital in Schedule IV of the 1971  
Convention on Psychotropic Substances 18/

At its 978th meeting, on 2 February 1987, the Commission on Narcotic Drugs, in accordance with article 2, paragraph 5, of the 1971 Convention on Psychotropic Substances, decided that 5,5-diallylbarbituric acid (also referred to as allobarbital) should be included in Schedule IV of that Convention.
