*Taking fully into account* the recommendations of the Group of High-Level Intergovernmental Experts to Review the Efficiency of the Administrative and Financial Functioning of the United Nations,<sup>35/</sup>

*Bearing in mind* the recommendations contained in General Assembly resolution 41/213 of 19 December 1986,

*Reaffirming* its conviction of the importance of the activities of the United Nations in the field of drug abuse control,

2. *Stresses* the importance of close co-ordination between the drug control units of the United Nations;
3. *Requests* the Secretary-General, in accordance with General Assembly resolution 41/213, to continue his efforts to further improve the efficiency of the United Nations drug control bodies in order to strengthen their effectiveness in dealing with the drug problem;
4. *Also requests* the Secretary-General to provide adequate financial information about current and future drug control activities so that the Commission on Narcotic Drugs can make recommendations on priorities on the basis of all relevant information;
5. *Further requests* the Secretary-General, in order to strengthen the activities and existing mechanisms of the United Nations in the area of international control of drug abuse and illicit trafficking, and with a view to the implementation of the follow-up activities of the International Conference on Drug Abuse and Illicit Trafficking, to give this sector priority, as a matter of urgency, in the allocation of available United Nations resources;
6. *Requests* the Secretary-General to submit to the Commission on Narcotic Drugs, at its next session, an analysis of practical ways and means of implementing the results of the Conference, through the United Nations system, bearing in mind General Assembly resolution 41/213.
