**1989/123. Drug addiction among children**

At its 12th plenary meeting, on 22 May 1989, the Economic and Social Council, recalling General Assembly resolution 43/121 of 8 December 1988, in which the Assembly, *inter alia*, strongly condemned drug trafficking in all its forms, particularly those criminal activities which involve children in the use, production and illicit sale of narcotic drugs and psychotropic substances, and appealed to the competent international agencies and the United Nations Fund for Drug Abuse Control to assign high priority to financial support for prevention campaigns and programmes to rehabilitate drug-addicted minors conducted by government bodies, decided to request the Secretary-General to submit to the Assembly, at its forty-fourth session, a report on the implementation of this resolution.
