## **GENERAL ANNOUNCEMENTS**

1. A list of offices and telephones in the C-Building during the **reconvened sixty-first session of the Commission on Narcotic Drugs** and **reconvened twenty-seventh session of the Commission on Crime Prevention and Criminal Justice** is annexed to this Journal.

### **Texts of written statements**

2. Delegates who will deliver statements are requested to supply them in advance to the Secretariat to the Governing Bodies, preferably by email to: unodc-sgb@un.org, or alternatively to provide 10 hard copies to the Secretariat to the Governing Bodies, room C0427. A minimum of 200 copies should be provided to the Secretariat if delegations wish to have their statements distributed to States and organizations attending the sessions of the Commissions.

### **Documents distribution counter**

3. At the documents distribution counter located on the fourth floor in the C-building, each delegation will be assigned an individual “pigeonhole” in which documents issued during the meeting will be placed.

4. As part of the Secretariat’s efforts to reduce expenditure and limit environmental impact through the digitization of conference materials and publications, only a limited number of pre-session documents will be available at the session venue. Each delegation will receive a single, complete set of the documents in the language of its choice. Delegates are therefore kindly requested to bring their own copies of the pre-session documents to the meeting.

5. A Journal will set forth the daily programme and other information related to the conduct of the session and will be available in English and French at the distribution counter.

### **Languages of the reconvened sessions of the Commissions**

6. The official languages of the meeting are the six official languages of the United Nations: Arabic, Chinese, English, French, Russian and Spanish. Official documents of the meeting will be made available in all six official languages.

### **Use of mobile phones and laptops**

7. Conference participants are kindly requested to keep their cellular telephones switched off inside conference rooms, as they cause radio frequency interference in the sound system, adversely affecting the sound quality of interpretation and the recording of proceedings.

8. The use of laptops in conference rooms can cause similar problems. Conference participants are requested not to use laptops next to open microphones.

### **Commissary privileges**

9. Commissary passes will be issued upon completion of registration formalities to the following participants:
